- - - *Peter Gabriel "In Your Eyes"*

The ones that never do let go  
And risk it the tables being turned the heat I see in  
- *Garth Brooks Standing Outside the fire*

I've seen fire and I've seen rain  
I've seen sunny days that I thought would never end  
I've seen lonely times when I could not find a friend  
But I always thought that I'd see you again  
- - - *James Taylor "Fire and Rain"*

Fish don't fry in the kitchen;  
Beans don't burn on the grill.  
Took a whole lotta tryin',  
Just to get up that hill.  
Now we're up in the big leagues,  
Gettin' our turn at bat.  
As long as we live, it's you and me baby,  
There ain't nothin' wrong with that.- *Jefferson's theme song Movin on up*

Sing us a song you're the piano man.  
Sing us a song tonight.  
Cause we're all in the mood for a melody,  
And you've got us feeling all right.  
- - - *Billy Joel*

Sing with me, sing for the year  
Sing for the laughter, sing for the tears  
Sing with me, if it's just for today  
Maybe tomorrow, the good lord will take you away  
- - - *Aerosmith, "Dream On"*

Some day I'll wish upon a star  
And wake up where the clouds are far behind me  
Where troubles melt like lemondrops  
Away above the chimney tops  
That's where you'll find me--- *somewhere over the rainbow" arlen Harburg*

A man walks down the street  
He says why am I short of attention  
Got a short little span of attention  
And wo my nights are so long  
Where's my wife and family  
What if I die here  
Who'll be my role-model

Now that my role-model is  
Gone Gone—*Paul Simon You can call me al*  
You say you want, diamonds on a ring of gold  
You say you want, your story to remain untold  
All the promises we made  
From the cradle to the grave- - *U2, "All I Want is You"*

The weather started getting rough,  
The tiny ship was tossed,  
If not for the courage of the fearless crew  
The minnow would be lost, the minnow would be lost. *Gilligans' Island theme song.*

You know a dream is like a river  
Ever changing as it flows.  
And a dreamer's just a vessel  
That must follow where it goes.  
Trying to learn from what's behind you  
And never knowing what's in store  
Makes each day a constant battle  
Just to stay between the shores.  
- - - *Garth Brooks, "The River"*

I met a girl who sang the blues  
And I asked her for some happy news,  
But she just smiled and turned away.  
I went down to the sacred store  
Where I'd heard the music years before,  
But the man there said the music wouldn't play.

And in the streets: the children screamed,  
The lovers cried, and the poets dreamed.  
But not a word was spoken;  
The church bells all were broken.  
*And the three men I admire most:  
The father, son, and the holy ghost,  
They caught the last train for the coast*  
The day the music died.—*Don McLean- American Pie*

Truth be told I've tried my best  
But somewhere along the way  
I got caught up in all there was to offer  
And the cost was so much more than I could bear

Though I've tried, I've fallen...  
I have sunk so low  
I messed up  
Better I should know

So don't come round here  
And tell me I told you so... [Sarah McLachlan "Fallen"](#)
